

GOLDEN MILE TRAVEL BUSINESSFORUM

**Educational journeys to Germany.
Enquire knowledge of the German
market, find new business
opportunities.**

German market means:
high technologies,
know-how, excellent level
of education, enormous
potential for partnership.

Golden Mile Travel GmbH presents you a unique opportunity to meet the representatives of the companies you are interested in cooperating with. We will illustrate you the characteristics of the German market and its specific culture.

The business forum will be an outstanding business platform where you will meet Germany's top economical and political leaders. Your stay in Germany may also include: presentations, seminars, meeting of potential business partners, discussions of business opportunities.

We can provide you a total trip package to suit your individual needs and wishes which might include:

- visa application
- flight tickets and hotel booking
- organization of seminars and trainings
- arrangements for business trips throughout Germany
- involvement of important business leaders
- fact-finding visits to the companies you are interested in
- all kinds of entertainment

Golden Mile Travel has considerable experience in carrying out conferences, seminars as well as trainings for business clients

Seminars

- International Business Communication
- Global Sourcing
